For more informations visit us at Best Music Tricks #1. Transcoding Spotify. This is my first video, and for some reason it took over 7 years to put it up! As you can imagine, I've been a victim of Spotify's DRM for quite a while. Which is why I decided to make a video on how to "strip" your DRM from Spotify. Here's a quick tutorial on what you need to do: 1. Create an Spotify account here - 2. Sign in 3. Press "o" on any track and drag it over
